We're pleased to invite you to

Navigating the Maze

Online Connection

Join leading faculty with vast expertise on AF surgery for a virtual Navigating the Maze program designed to provide the latest in clinical science and education in the field. You will have the opportunity to learn best practice and share experiences, discover cutting-edge technology, and gain practical knowledge from world-renowned experts.

Moderator: Manuel Castellà, MD

James Cox, MD: History of Maze and fundamentals for AF treatment

Mark La Meir, MD: State of the art of hybrid treatment

Jaswinder Gill, MD: Latest updates on Converge IDE trial

Richard Whitlock, MD: The evidence for LAA closure

Manuel Castellà, MD: Cardiac surgery in the COVID pandemic
