

ROAD TO OPEN ACCESS AT IDIBAPS

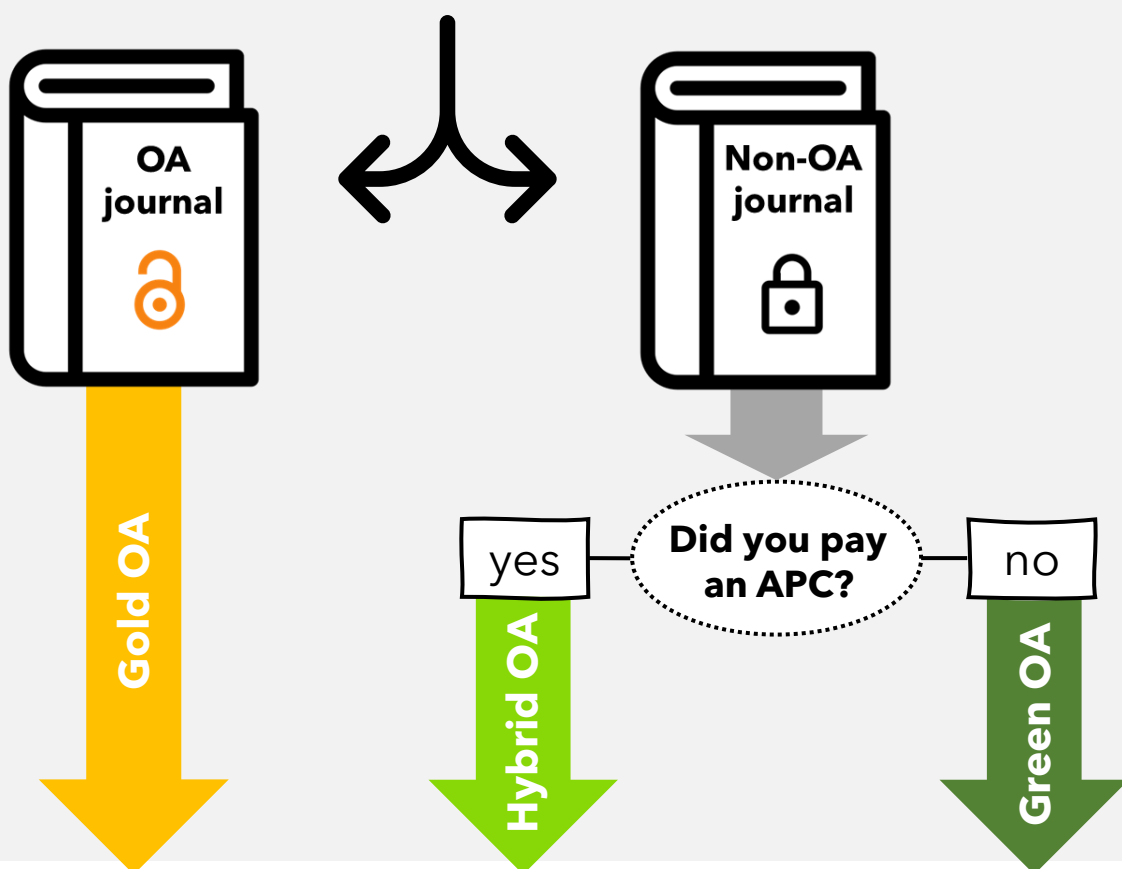

Open Access (OA) publishing...

WHY

- promotes **accessibility, visibility** and **impact** of scientific research,
- fosters wide **engagement** and **collaborations**, and
- is a **requirement** of research funders and institutions.

OA by depositing a publication at the UB Digital Repository (DDUB)

Manuscript accepted in...

WHAT

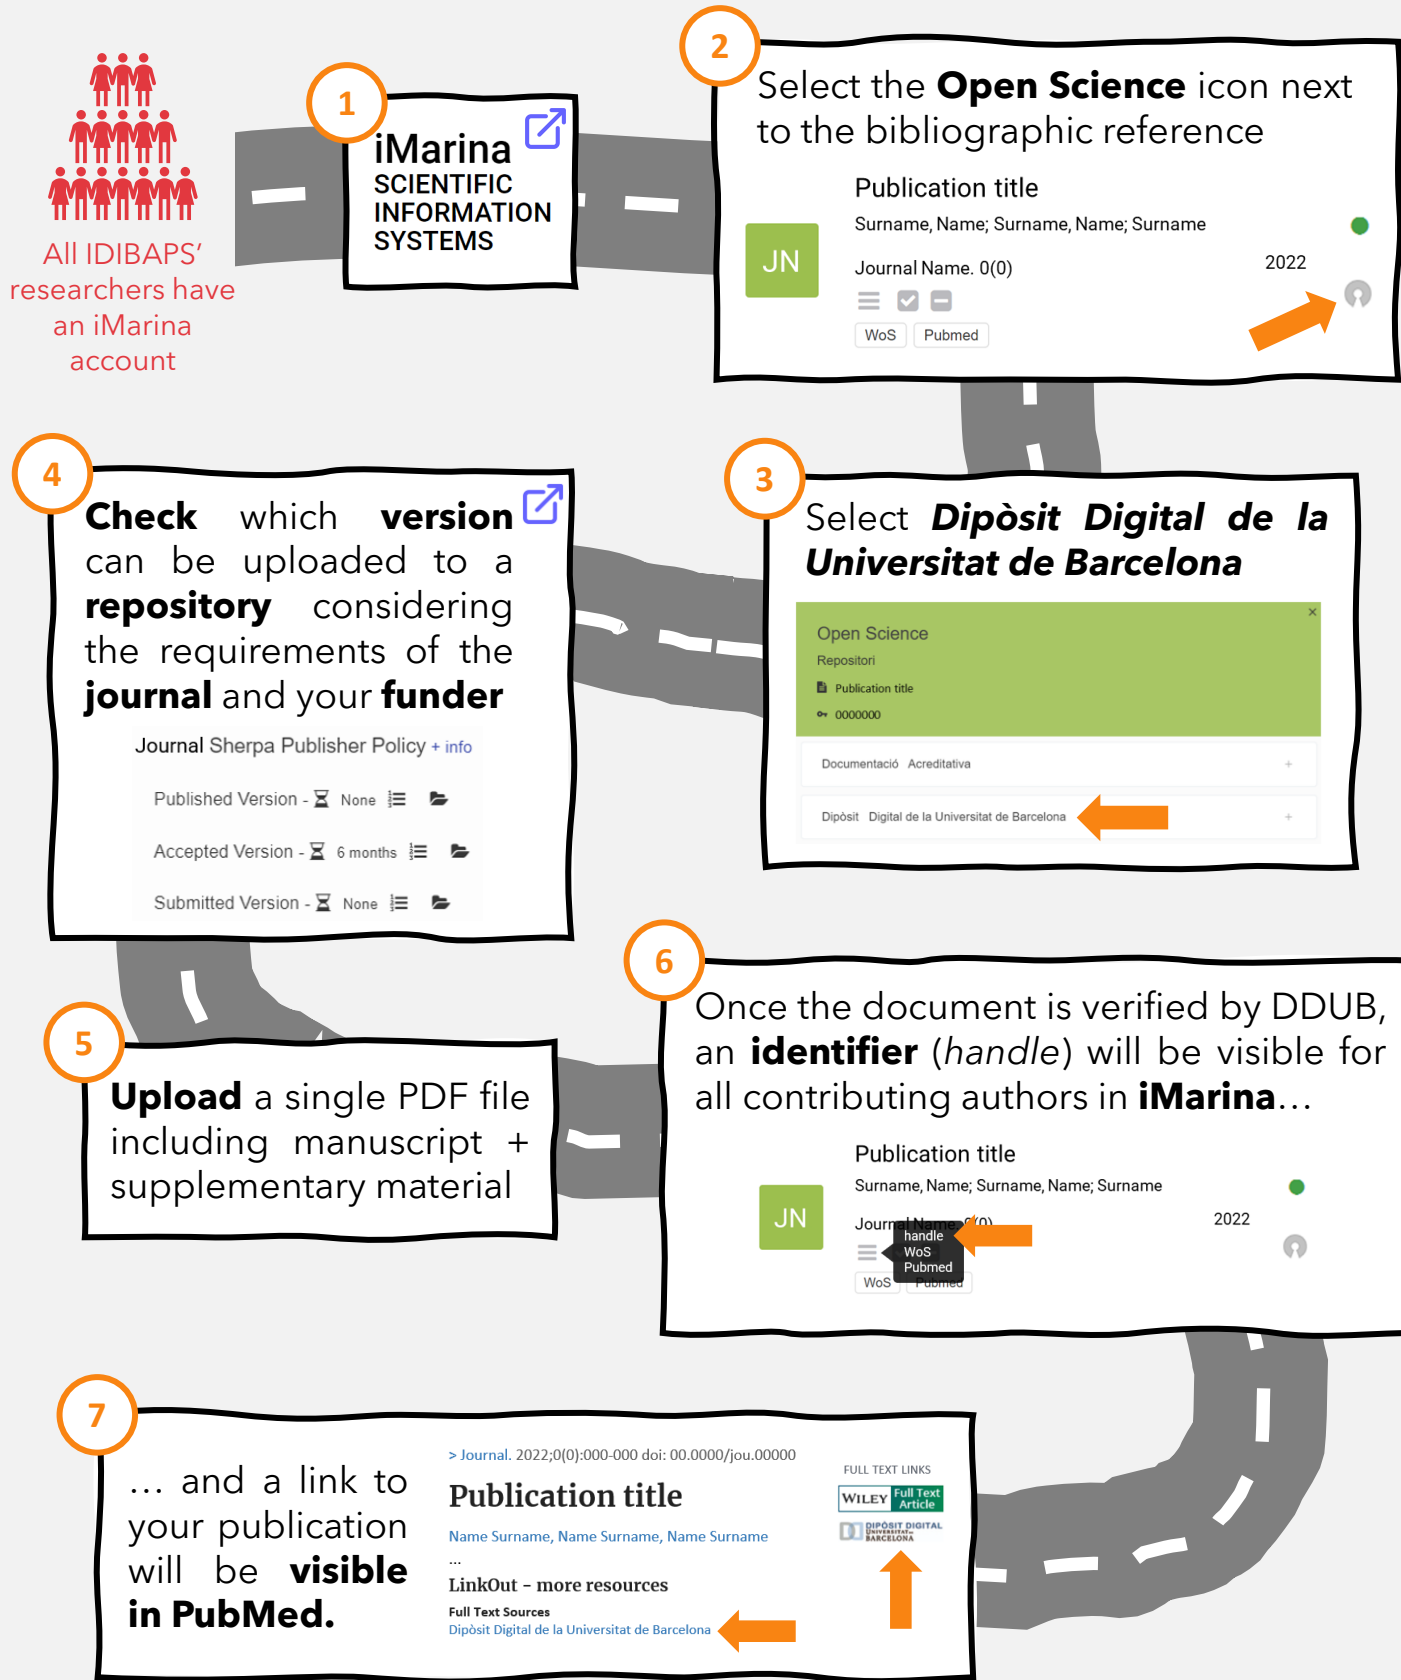

Deposit the **published** version to DDUB

Deposit the **published** version to DDUB

Deposit the **postprint** or **preprint** version to DDUB

Deposit should be done **immediately after online publication**.
If applicable, DDUB will respect **embargo** periods.

HOW

Check our institutional [Open Access policy](#) for further information.

Please contact the **Scientific Coordination Office** for any queries.
