

CONV. FU-106/2024

1. INNOVATION PROJECT MANAGER

1.1. We are opening 1 Position for an **Innovation Project Manager** to join the Knowledge and Technology Transfer (KTT) Office at **Fundació de Recerca Clínic Barcelona-Institut d'Investigacions Biomèdiques August Pi i Sunyer (IDIBAPS)** in the framework of the prestigious institutional program KAIROS "Key Advances for Impact Research in biomedicine at FRCB-IDIBAPS", funded by the Spanish Minister of Science, Innovation and Universities¹.

The IDIBAPS KTT team is committed to bridging the gap between academia and industry, fostering innovation, public-private collaborations and entrepreneurship. Created in 2010, it has a portfolio of 86 active patents in several fields of applications (e.g., diagnostic, treatment, medical devices, among others), has signed more than 65 license agreements with national and international companies, and has founded 18 spin-offs. With close to 100 research groups, the KTT team evaluates more than 30 new innovation projects every year. In recent years, Advanced Therapy Medicinal Products (ATMP) have emerged as a transformative category of innovative medicines. IDIBAPS researchers and clinicians from the Hospital Clínic of Barcelona have pioneered the development of ATMPs, CARTs among them, creating a promising portfolio of innovative products in this field.

The new Innovation Project Manager will coordinate and manage specific ATMP and other innovation projects, developing and ensuring their successful technology transfer strategy and commercialization.

This position offers an indefinite scientific-technical contract.

Job description / Tasks to be developed:

- ✓ Scout and identify promising technologies and inventions within IDIBAPS, in particular within the immunotherapy cancer groups.
- ✓ Management of technology transfer projects: evaluate commercial potential and market feasibility, elaborate technology offers, IPR management, search for industries to license or partnerships agreements with pharma, biotech, medical device and software companies.
- ✓ Stay informed about industry trends, market demands, and emerging technologies.
- ✓ Foster connections between academia, startups, and established companies.
- ✓ Development and implementation of assigned projects.

Required qualifications and skills:

- **Required Education Level:** Doctoral degree in Life Sciences (Biology, Pharmacy, Chemistry, Biotechnology, etc.), Bioengineering or similar fields.
- **Experience Required:**
 - Technical:**
 - ✓ Understanding of scientific research, technology development, and innovation processes.
 - ✓ Knowledge and/or experience in the management of immunotherapy or other cell therapy projects.
 - ✓ We will positively evaluate knowledge or experience in IP protection.
 - Project Management:**
 - ✓ Minimum 1 year experience in Project Management.
 - ✓ Experience in market access and scientific data base management.
 - ✓ Strong organizational, time management, and problem-solving skills.
 - ✓ Ability to bridge the gap between technical experts and business professionals.

¹ Funded by Instituto de Salud Carlos III (ISCIII) a través del "Programa FORTALECE del Ministerio de Ciencia, Innovación y Universidades". Grant agreement number: FORT23/00002_GUED_G1.

- ✓ Empathy and adaptability to changing project requirements and external dynamics.
- **Skills:**
 - ✓ Ability to work in a team.
 - ✓ Organizational, planning and analytical skills.
 - ✓ Responsibility and an eager-to-learn attitude.
 - ✓ Excellent written and oral communication skills.
 - ✓ Be willing to adapt to a flexible work schedule when needed.
 - ✓ Meeting deadlines and following up on assignments.
- **Required Languages:** Catalan, Spanish, and English.

Presentation of applications:

All documents must include the reference code of the job offer (see upper left corner of the call).

- Candidates must enclose a motivation letter and their Curriculum Vitae (including list of publications and merits).
- Proof of the merits exposed, and the degree obtained must also be included in the application.
- The application must include also signed authorization in reference to personal data protection law - European Regulation (UE) 2016/679- (Document attached, Page 4).

Submission: (clearly indicating the reference code of the job offer)

1. Delivering it personally to the Dept. of Human Resources, located on the Esther Koplowitz Centre, C/ Rosselló 149, from 10 am to 1 pm from Monday to Friday.
2. By e-mail to the e-mail address: forbrhh@recerca.clinic.cat

Application Deadline: 25/04/2024.

1.2. The recruitment will be carried out according to the provisions of Article 15 of the Royal Legislative Decree 1/1995, of 24 March, which approves the text of the law of the Statute of workers, in accordance with the provisions of art. 2 of the Royal Decree 2720/98, of 18 December (BOE of 8 January 1999), law 12/2001, of 9 July (B.O.E. of 10 July) and concordant provisions.

The principle of equal treatment between men and women will be considered, according to article 14 of the Spanish Constitution, the Community Directive of 9 February 1976 and what is foreseen in the agreement of the Council of Ministers of 4 March 2005, which approves the plan for gender equality in the General Administration of the State.

The universal accessibility for disabled persons will be considered according to the second paragraph of Article 1 of the law of December 2 51/2003 of equality of opportunities; 5% of the vacancies are preserved when candidates' pass the selection process and disabilities are proved. Also, compatibility with the tasks associated to the job must be proved so that progressively we reach 2% of all workforces.

1.3. Annual gross remuneration inherent to the job offer object of this call will be fixed on the basis of the experience provided and the skills of the candidates.

1.4. In accordance with Regulation (EU) 2016/679 of 27 April 2016 on the protection of natural persons with regard to the processing of personal data (hereinafter the "Regulation"), we hereby inform you that:

- The party responsible for processing your data is Fundació de Recerca Clínic Barcelona-Institut d'Investigacions Biomèdiques August Pi i Sunyer (hereinafter "FRCB-IDIBAPS"), with Corporate ID

No. G-59319681, and registered address in Barcelona, Carrer Rosselló 149-153. You may contact the Data Protection Manager by sending an email to protecciodades.recerca@clinic.cat or by writing to the Legal Director at Carrer Rosselló 149-153, Barcelona.

- When presenting your candidacy or sending us your CV, your data must be communicated with the aim and purpose of allowing employees at the entity to carry out management and selection processes.
- The information will be used by administrative and employee services in our entity, for their corresponding services, and may be submitted in full or in part to any authorities that, for legal reasons, require this type of information.
- The data provided will be held for a period of 1 year, and in addition once the relationship has been completed the data will be held for the period necessary to comply with legal provisions.
- The data provided may be transferred to a third country or international organisation, where necessary to justify the contract and/or salary of the employee providing the data.
- You have the right to access your data, request rectification of inaccurate data or request the removal of your data. Equally, you have the right to restrict the processing of your data, and you may oppose or withdraw consent for your data to be used in certain circumstances. You may exercise these rights by writing to the Legal Director at Carrer Rosselló 149-153, Barcelona, or by sending an email to protecciodades.recerca@clinic.cat. We also inform you of your right to file a complaint with the Catalan Data Protection Authority (Autoritat Catalana de Protecció de Dades) for any action taken by FRCB-IDIBAPS that you believe infringes your rights.
- Since 2015, IDIBAPS holds the "[HR Excellence in Research](#)" Award from the European Commission. This is a recognition of the Institute's commitment to developing an HR Strategy for Researchers, designed to bring the practices and procedures in line with the principles of the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers ([Charter and Code](#)). Please check our [Recruitment Policy](#).
