

5 Positions - R1-Preddoctoral Researchers at FRCB-IDIBAPS – Predoctoral Researchers: DYNAMIS EU - doctoral programme.

Code: FU-301/2025

About the institution

The Barcelona Clinical Research Foundation-August Pi i Sunyer Biomedical Research Institute (IDIBAPS) is a biomedical research centre of excellence, located on the Barcelona Clinic Campus and with a clear international focus.

The IDIBAPS research community includes over 2,000 professionals and a hundred multidisciplinary groups that carry out high-impact translational research aimed at addressing biological and clinical questions relevant to human health, as evidenced by the more than 1,500 original articles published each year that make the institution one of the main biomedical research centres in Spain.

The Clínic Campus offers a high-level research and innovation environment, which includes the Hospital Clínic of Barcelona, a referral hospital committed to care, research and teaching, which covers practically all medical and surgical specialties, plus the University of Barcelona's Faculty of Medicine and Health Sciences. The latter dates from 1843 and is today one of the most prestigious health sciences faculties in Spain and worldwide.

Since 2015, IDIBAPS has had [HR Excellence in Research](#) accreditation from the European Commission. It is a CERCA centre and is accredited as a Health Research Institute by the Carlos III Health Institute (ISCIII).

Co-funded by
the European Union

Funded by the European Union (EU)-grant agreement nº 101217395. Views and opinions expressed are however those of the author(s) only and do not necessarily reflect those of the European Union. Neither the European Union nor the granting authority can be held responsible for them.

Job description

5 R1 positions in Biomedicine at FRCB-IDIBAPS – Predoctoral Researchers: DYNAMIS EU - doctoral programme

5 R1 positions for promising and motivated predoctoral researchers to join DYNAMIS – Doctoral programme Yielding Novel Advancements in Medicine and Innovative Solutions, co-funded by the IDIBAPS and the European Union (EU) grant agreement Nº 101217395. All information about the DYNAMIS programme can be found in the Information Booklet available on the [DYNAMIS website](#).

Requirements for all the candidates

1. To accomplish the eligibility criteria listed below (more information on the eligibility criteria is available on the Guide for Applicants on the DYNAMIS website):
 - a) Studies to access a doctoral programme in Spain:
 - i. European Higher Education System: university degree and Master (at least 300 ECTS) or equivalent education to access to a PhD programme in Spain or,
 - ii. Non-European Higher Education System: university degree that gives access to doctoral studies in the Country of issue (certified by the competent body). All the documentation must be delivered both legalised and officially translated in Catalan, Spanish or English (if applies).
 - a) Not have resided in Spain for more than 12 months in the last 3 years prior to the call deadline (according to the Marie Skłodowska-Curie programme's mobility rule).
 - b) Not already hold a PhD.
 - c) Good command of English.
2. To mandatorily select up to three potential host research lines. Each research line is co-supervised by a clinical scientist and a translational researcher. The description of the research lines is available on the [DYNAMIS website](#).

Conditions of the fellowship

- **Type of contract:** Temporary predoctoral contract (4 years).
- **Working hours:** Full time (37,5 hours / week).
- **Funder and official project code:** EUROPEAN COMMISSION - 101217395
- **Incorporation into IDIBAPS:** A research centre of excellence in the city of Barcelona. Excellent research results and competitive project grant awards, both national and international.
- Long-life training offered by the institute.
- **Working conditions:** Holiday entitlement of 22 days + 6 days for personal affairs,

flexible working hours and flexible remuneration (health insurance, transport, meal vouchers, training).

- **The chance to form part of a dynamic work environment:** We are a team with a wealth of experience that jointly evaluates ideas and strategies and promotes a healthy work-life balance.
- **Annual gross salary:** €30,770.40 (including living and mobility allowances)
- **Optional:** €7,920/year family allowance for eligible fellows with family obligations (such as marriage, a relationship with equivalent legal status, or children) either at the time of recruitment or acquired during the programme. Proof of family obligations will be required.
- **Access to training and career development opportunities:** the fellow will take advantage of the training programmes and seminars offered by IDIBAPS, as well as programme-specific doctoral schools and international and/or intersectoral secondments. More detailed information about those aspects is available at the programme's Booklet available at DYNAMIS website.

Expected starting date: between April and the end of July 2026

How to apply

Submit the requested information through the [on-line application tool](#). It is advisable to check the Application Template available on the [DYNAMIS website](#) before applying to prepare the content of your application in advance. The content must be written in English. Once the application through the online tool is submitted, an automatic file in Pdf format will be generated and sent to your personnel e-mail. In that e-mail you will be asked to send the document to the Human Resources department: fcbrrrhh@recerca.clinic.cat (indicating the call reference **FU-301/2025** in the subject), together with your Academic records:

- For studies completed in Spain or in another Country within the European Higher Education Area (EHEA), candidates must provide proof of having completed at least 300 ECTS credits.
- For studies completed in non-EU Countries outside the EHEA, candidates must provide evidence that their qualifications grant access to doctoral studies in the Country where they were obtained. In such cases, it is recommended to submit a legalized degree, officially translated into Catalan, Spanish, or English (if applicable), as this will be required later for admission to the doctoral programme at the university.

The step of sending the Pdf document and your academic records to Human resources is mandatory to complete the process.

More information on how to apply is available on the Guide for Applicants on the [DYNAMIS website](#).

Selection process

The international peer-reviewed evaluation process follows [open, transparent and merit-based recruitment criteria](#). After this recruitment, DYNAMIS will be able to invite the final selected candidates. The evaluation process is divided into the following phases:

1. Eligibility check: it determines whether a candidate fulfils the eligibility criteria.
2. Remote evaluation phase: it selects the best eligible candidates in terms of excellence.
3. Oral on-line interview: it judges the candidate's scientific and disease-oriented knowledge, motivation, and alignment with the programme and the selected research area and group.
4. On-site visits: it allows candidates to get familiar with the institute's facilities and environment; they and their potential hosts will be able to know each other, discuss potential ideas for the PhD project, expectations, and assess the compatibility between their research interests and competencies.
5. Start of the fellowship: The exact date of incorporation will be agreed with IDIBAPS once the fellowship is granted.

More information about the evaluation criteria and the timeline of the whole selection process can be found on the Guide for Applicants available on the [DYNAMIS website](#).

Deadline: December 2nd, 2025

For any doubts, please contact academic@recerca.clinic.cat.

The employment contract will be in accordance with the provisions of Legislative Decree 1/1995, of 24 March, approving the text of the Workers' Statute Law, of Law 14/2011, of 1 June, on science, technology and innovation in accordance with the provisions of Art. 2 of Royal Decree 2720/98, of 18 December (BOE of 8 January 1999), Law 12/2001, of 9 July (BOE of 10 July) and concordant provisions.

The principle of equal treatment between men and women fundamental, in accordance with Article 14 of the Spanish Constitution, the European Community Directive of 9 February 1976, and the provisions of the Agreement of the Council of Ministers of 4 March 2005, approving the Plan for Gender Equality in the General State Administration.

The universal accessibility of people with disabilities is fundamental according to section 2 of Article 1 of Law 51/2003, of 2 December, on equal opportunities, and 5% of vacancies are reserved as long as candidates pass the selection processes and accredit their disability and compatibility with the tasks to be carried out, so that we progressively reach 2% of the total workforce.

The gross annual remuneration relating to the position that is the subject of this call will be established based on each candidate's experience and aptitudes.
