

EBRAINS: an introduction to Europe's digital infrastructure for brain research

Pierpaolo Sorrentino
Aix-Marseille University - EBRAINS

IDIBAPS will host a session dedicated to EBRAINS, Europe's cutting-edge digital infrastructure for brain research. Pierpaolo Sorrentino (Aix-Marseille University - EBRAINS) will present an overview of EBRAINS and illustrate how the platform supports and advances neuroscience research across Europe.

1st December / 09:00h - 10:00 h

Centre Esther Koplowitz, Auditori Esteve
