

Scientific policy and synergies in Horizon Europe

Marina Martínez
SOST-CDTI, Brussels office

IDIBAPS will host a session focused on “Scientific policy and synergies in Horizon Europe”. Marina Martínez García (SOST-CDTI, Brussels office), will present how the Horizon Europe 2025–2027 Strategic Plan connects EU policy priorities and how they shape the future European research agenda. The talk will also highlight potential pathways synergies in the context of strategic research and innovation agendas of the European Commission.

2nd December / 14:30h - 15:30 h

Centre Esther Koplowitz, Auditori Esteve
