

**Nº REF.: FU-ES-31/2025**

**POSITION OFFERED:**

**Coordinator of the Neurological Tissue Bank at the HCB-IDIBAPS Biobank.**

**Extension of the application deadline:**

The period to apply to this position has been extended until: **February 08<sup>th</sup>, 2026**.

Barcelona, January 13<sup>th</sup>, 2026

## Coordinator of the Neurological Tissue Bank at the HCB-IDIBAPS Biobank.

Code: FU-ES-31/2025

### About the institution

**The Barcelona Clinical Research Foundation-August Pi i Sunyer Biomedical Research Institute (IDIBAPS) is a biomedical research centre of excellence, located on the Barcelona Clinic Campus and with a clear international focus.**

The IDIBAPS research community includes over 2,000 professionals and a hundred multidisciplinary groups that carry out high-impact translational research aimed at addressing biological and clinical questions relevant to human health, as evidenced by the more than 1,500 original articles published each year that make the institution one of the main biomedical research centres in Spain.

The Clínic Campus offers a high-level research and innovation environment, which includes the Hospital Clínic of Barcelona, a referral hospital committed to care, research and teaching, which covers practically all medical and surgical specialities, plus the University of Barcelona's Faculty of Medicine and Health Sciences. The latter dates from 1843 and is today one of the most prestigious health sciences faculties in Spain and worldwide.

Since 2015, IDIBAPS has had [HR Excellence in Research](#) accreditation from the European Commission. It is a CERCA centre and is accredited as a Health Research Institute by the Carlos III Health Institute (ISCIII).

## Job description

The IDIBAPS Biobank is a centralised institutional support core facility for coordinating the collection, processing, storage, and transfer of human biological samples to promote biomedical research of the highest standard. Our Biobank is organised in three large areas:

- Neurological Tissue Bank
- Tumour and Tissue Bank
- Biological Fluids Bank

The selected candidate will work as “Area Coordinator” in the Scientific Core Facilities (Coordinator of the Neurological Tissue Bank from the HCB-IDIBAPS Biobank) and perform the following tasks:

- Provide support to and report directly to the Head of HCB-IDIBAPS Biobank.
- Oversee and manage day-to-day biorepository operations.
- Lead a team responsible for the sample tracking, processing and storage.
- Assess collaborators on study sampling design, study follow-up, ensuring timely and accurate data reporting.
- Manage sample and data requests at the Neurological Tissue Bank.
- Manage ISO quality System within the area of the Biobank.
- Enhance existing protocols for the collection, transport, storage, and analysis of bio-specimens.
- Provide guidance and support to families and donors within the Donor Program.
- Support the molecular characterisation of samples at the Neurological Tissue Bank: western-blotting, DNA extraction, APOE characterisation, etc.
- Collaborate with various working groups of the Spanish Biobank Network.
- Collaborate with research projects at the unit and national/International consortia.

## Required qualifications

- University Degree in life sciences or related fields.
- Desired PhD degree in life sciences or related fields or MSc in biobanking, neurosciences or similar.

## Experience and knowledge

- Minimum of 3 years of proven experience in managing biological samples.
- Strong leadership skills with a proactive, flexible and solution-oriented mindset.
- Excellent proficiency in spoken English.

## IDIBAPS offers

- **Type of contract:** Permanent (Fix). Staff replacement rate current year.
- **Working hours:** Full time (37.5 hours / week).

- **Department:** Biobanc HCB-IDIBAPS - Neurological Tissue Bank.
- **Incorporation into IDIBAPS:** A research centre of excellence in the city of Barcelona. Excellent research results and competitive project grant awards, both national and international.
- Long-life training offered by the institute.
- **Working mode:** Hybrid. Teleworking 2/3 days a week (allowed after a period of onsite training).
- **Working conditions:** Holiday entitlement of 22 days + 6 days for personal affairs, flexible working hours and flexible remuneration (health insurance, transport, meal vouchers, training).
- **The chance to form part of a dynamic work environment:** We are a team with a wealth of experience that jointly evaluates ideas and strategies and promotes a healthy work-life balance.

## Applications

- **Presentation letter:** explicitly mentioning the call reference and explaining the candidate's personal reasons for applying.
- **Curriculum Vitae:** including a list of publications, where applicable.
- **Documentation accrediting** the credentials set out and the required qualifications.
- **Mandatory:** the duly signed Authorisation relating to EU Regulation 2016/679 on the protection of personal data (*attached document, page 5*) must be attached to the application.

## Submission and deadline

- Candidates shall submit their applications, indicating the call reference for the position for which they are applying, by email to the address: [FCRBRRHH@recerca.clinic.cat](mailto:FCRBRRHH@recerca.clinic.cat)
- Deadline: From the publication of this call until January 7<sup>th</sup>, 2025

The employment contract will be in accordance with the provisions of Legislative Decree 1/1995, of 24 March, approving the text of the Workers' Statute Law, of Law 14/2011, of 1 June, on science, technology and innovation in accordance with the provisions of Art. 2 of Royal Decree 2720/98, of 18 December (BOE of 8 January 1999), Law 12/2001, of 9 July (BOE of 10 July) and concordant provisions.

The principle of equal treatment between men and women fundamental, in accordance with Article 14 of the Spanish Constitution, the European Community Directive of 9 February 1976, and the provisions of the Agreement of the Council of Ministers of 4 March 2005, approving the Plan for Gender Equality in the General State Administration.

The universal accessibility of people with disabilities is fundamental according to section 2 of Article 1 of Law 51/2003, of 2 December, on equal opportunities, and 5% of vacancies are reserved as long as candidates pass the selection processes and accredit their disability and compatibility with the tasks to be carried out, so that we progressively reach 2% of the total

workforce.

The gross annual remuneration relating to the position that is the subject of this call will be established based on each candidate's experience and aptitudes.
