

Workshop on Value-Based Healthcare and Patient Engagement.

Taller en anglès

Dimecres, 18 de març de 2026. D'16:00h a 17:30h
Sala Margarita Salas + Sala Santiago Ramón y Cajal
Carrer de Rosselló, 153. Centre Esther Koplowitz

This interactive workshop aim is to demystify the concept of “value-based healthcare” and to highlight that, without real and effective patient participation, both at individual and collective level, it is impossible to speak of a healthcare system that responds to patients’ needs and expectations and therefore of “value-based healthcare”.

Speaker: Eva Villalba. Executive Director, Quebec Cancer Coalition. VBHC Expert.
