

## Strategy Project Manager (G2).

Code: FU-124/2026

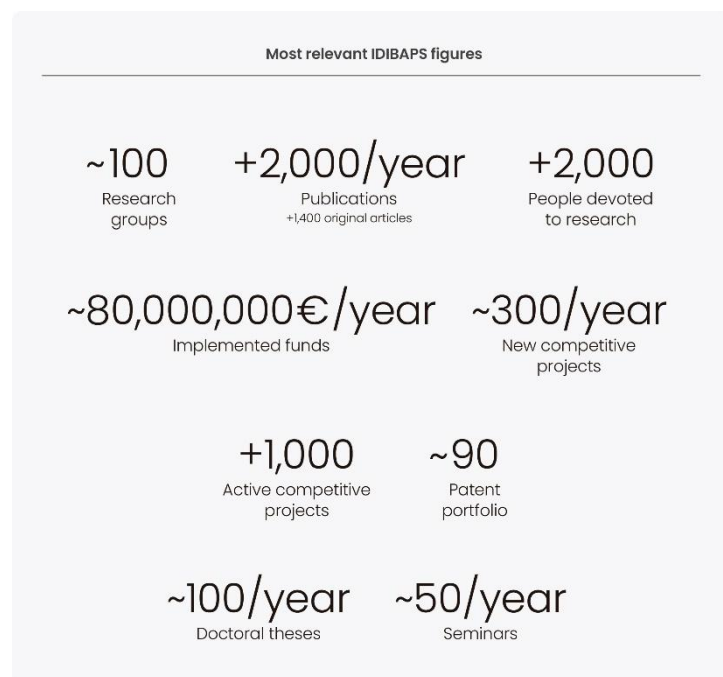

### About the institution

The Barcelona Clinical Research Foundation-August Pi i Sunyer Biomedical Research Institute (IDIBAPS) is a biomedical research centre of excellence, located on the Barcelona Clinic Campus and with a clear international focus.

The IDIBAPS research community includes over 2,000 professionals and a hundred multidisciplinary groups that carry out high-impact translational research aimed at addressing biological and clinical questions relevant to human health, as evidenced by the more than 1,500 original articles published each year that make the institution one of the main biomedical research centres in Spain.

The Clínic Campus offers a high-level research and innovation environment, which includes the Hospital Clínic of Barcelona, a referral hospital committed to care, research and teaching, which covers practically all medical and surgical specialities, plus the University of Barcelona's Faculty of Medicine and Health Sciences. The latter dates from 1843 and is today one of the most prestigious health sciences faculties in Spain and worldwide.

Since 2015, IDIBAPS has had [HR Excellence in Research](#) accreditation from the European Commission. It is a CERCA centre and is accredited as a Health Research Institute by the Carlos III Health Institute (ISCIII).

## Job description

We are seeking a Strategy Project Manager to work in close collaboration with the IDIBAPS Strategy Director, other IDIBAPS departments and the research community, to contribute in shaping and delivering IDIBAPS research strategy.

This new role includes the following responsibilities:

- **Scientific Institutional Programs:** manage and support ongoing institutional programs (e.g., FORTALECE, AECC Excellence), foster communication and collaboration among the partners involved and relevant stakeholders, organize meetings, coordinate and prepare scientific reporting in collaboration with diverse departments; seek new opportunities to start new institutional programs in alignment with IDIBAPS Strategic Plan.
- **Institutional Accreditations:** coordinate the annual follow-up of the institutional accreditations (e.g., CERCA, ISCIII, AECC, OECE), including data collection and critical analysis of institutional performance indicators in coordination with other relevant departments (e.g., Scientific coordination, Controlling, Quality, etc.).
- **International Cooperation and Science policy:** explore new institutional collaborations in research with national and international institutes and other research organizations; follow-up ongoing collaborations, including the organization of meetings and events, and explore new funding opportunities with the pre-award departments to extend their scope and impact; support the alignment of institutional strategy with emerging science policy agendas at European and international level, ensuring relevance, visibility and long term positioning.
- **Other Strategic Priorities:** collaborate with and support the Strategy Director to ensure the implementation of other strategic priorities, such as environmental sustainability in research, research culture, collaborations science and art, and inclusive research, among others.

## Required qualifications

- PhD degree in life sciences or related disciplines.
- Required specialization: Master's degree in relevant disciplines.

## Experience and knowledge

- Research experience in an international setting
- Understanding and curiosity for biomedical research.
- Project management skills.
- Organization of meetings and events.
- Experience in international collaboration.
- Experience in grant writing.
- Complex data analysis.
- Other skills: organizational and analytical skills, communication (oral and written) to multiple audiences, ability to work in a team and build effective and trustful collaborations.

## IDIBAPS offers

- **Type of contract:** indefinite-term contract for scientific-technical activities.
- **Working hours:** Full time (37.5 hours / week).
- **Scientific-technical activity** involving the design, preparation, submission, coordination and monitoring of the projects promoted by the Scientific Strategy Area to strengthen the institution's development, as well as other strategic projects carried out in collaboration with the research community.
- **Project:** *Promoció i suport a la comunitat científica en la recerca*. Promoting and supporting the Research community.
- **Incorporation into IDIBAPS:** A research centre of excellence in the city of Barcelona. Excellent research results and competitive project grant awards, both national and international.
- Long-life training offered by the institute.
- **Working mode:** Presential or hybrid. Possibility of teleworking 2/3 days a week (allowed after a period of onsite training).
- **Working conditions:** Holiday entitlement of 22 days + 6 days for personal affairs, flexible working hours and flexible remuneration (health insurance, transport, meal vouchers, training).
- **The chance to form part of a dynamic work environment:** We are a team who jointly encourages new ideas and strategies and promotes a healthy work-life balance.

## Applications

- **Presentation letter:** explicitly mentioning the call reference and explaining the candidate's personal reasons for applying.
- **Curriculum Vitae:** including a list of publications, where applicable, including the names of two referees.
- **Documentation accrediting** the credentials set out and the required qualifications.
- **Mandatory:** the duly signed Authorisation relating to EU Regulation 2016/679 on the protection of personal data (*attached document, page 5*) must be attached to the application.

## Submission and deadline

- Candidates shall submit their applications, indicating the call reference for the position for which they are applying, by email to the address: [FCRBRRHH@recerca.clinic.cat](mailto:FCRBRRHH@recerca.clinic.cat)
- **Deadline:** From the publication of this call until **May 10, 2026**.

The employment contract will be in accordance with the provisions of Legislative Decree 1/1995, of March 24<sup>th</sup>, approving the text of the Workers' Statute Law, of Law 14/2011, of June 1<sup>st</sup>, on science, technology and innovation in accordance with the provisions of Art. 2 of Royal Decree 2720/98, of December 18<sup>th</sup> (BOE of 8 January 1999), Law 12/2001, of July 9<sup>th</sup> (BOE of 10 July) and concordant provisions.

The principle of equal treatment between men and women fundamental, in accordance with Article 14 of the Spanish Constitution, the European Community Directive of February 9, 1976,

and the provisions of the Agreement of the Council of Ministers of March 4, 2005, approving the Plan for Gender Equality in the General State Administration.

The universal accessibility of people with disabilities is fundamental according to section 2 of Article 1 of Law 51/2003, of December 2<sup>nd</sup>, on equal opportunities, and 5% of vacancies are reserved as long as candidates pass the selection processes and accredit their disability and compatibility with the tasks to be carried out, so that we progressively reach 2% of the total workforce.

The gross annual remuneration relating to the position that is the subject of this call will be established based on each candidate's experience and aptitudes.
